WATSON'S GROCERY

Five Dollars a Box

The Price Cut No Figure With Him. "I want to say for the benefit of some poor dyspeptic that Stuart's Dyspepsia Tablets will give comfort and

a cure every time. Five dollars a box would not stop my purchasing them should I ever suffer again as I did for a week before using them.

"The one 50 cent box I bought at my druggist's did the work and my digestion is all right again."

"Many of my neighbors have also tried these tablets and found them to be just as represented and Mr. Elms also wants me to use his name in endorsing Stuart's Dyspepsia Tablets."

Signed,
A. Elms and Chas. F. Buzzell,
Asst. Postmaster,
South Sudbury, Mass.

Mrs. Jas. Barton, of Toronto, Canada, writes: "For eighteen months I suffered from what I supposed was bladder and kidney trouble, and took medicine from three different doctors, without any sign of cure. I felt so ill at last I was hardly able to do my work."

"I thought I would try a box of Stuart's Dyspepsia Tablets and see if they would make me feel better, never really thinking I had dyspepsia, but after only three or four tablets had been taken all the acid trouble disappeared and then I discovered I had acid dyspepsia, while the doctors had been treating me for kidney and bladder trouble and one of them treated me for rheumatism."

"My digestion is fine, my complexion clear and I am able to do my work and low spirits are unknown to me."

"I am thankful for finding a cure so good and so pleasant to take as Stuart's Dyspepsia Tablets. I am surprised at the change they have made in me."

All druggists sell and recommend Stuart's Dyspepsia Tablets because they contain only the simple natural digestives, and taken after meals prevent acidity and cause prompt digestion and assimilation of food.

Physicians everywhere endorse them because they are as safe for the child as for the adult; they are invaluable for sour stomach, nervous dyspepsia, heartburn, gas on stomach and bowels and every form of stomach derangement.

SUCCESSORS TO INJURIES.
Galveston Tex., Dec. 12.—Albert Kuhn, aged 69, a cotton broker here for 25 years, died today as a result of injuries received when attacked on the night of December 3.

S. L. Beneditto, cashier at the local Harvey house, has gone to work for Fred Harvey in Rincon, N. M. Mr. Beneditto was recently married in this city.

TO IRRIGATE FROM UNDERGROUND FLOW

Experiment Tried at Del Rio Proves Subterranean Stream Abundant.

Del Rio, Texas, Dec. 12.—The irrigated acreage around Del Rio is soon to be increased by the utilization of the underground flow of water that has been tested and found plentiful enough to justify the expense of pumping plants. Geologists and experts from the department of agriculture have long contended that the underground water supply in this section was sufficiently strong to permit of individual pumping plants for small farm irrigation, and the experiments and demonstrations that have been made are convincing.

Just east of Del Rio, Bernard Brown has installed a high power propeller pump of the type used extensively in California and the lower Pacific coast irrigated sections. This pump, run by a 30 horse power gasoline engine, is installed in a well with the water flow 214 feet below the surface and the water level within 60 feet of the top. The pump has been thoroughly tested and is of water a minute and has been run for hours at a time without lowering the water level in the well. It will supply water for irrigating about 30 acres next season. Eight acres of the farm will be in Bermuda onions. Brown has completed the installation of a sub-irrigation plant of the Wilgins system. About four acres of his farm have been supplied with this underground cement tiling and water will be supplied from the well. The tile is laid 18 inches below the level of the ground, 18 laterals 20 feet apart. Every four feet in the lateral is an outlet with a cap protection through which the water is supplied to the soil. The tile is made in the trench with a patented machine that lays a continuous tile. The results of this plant are being watched with a great deal of interest as it is the first of its kind in this section.

John J. Foster and E. W. Smith, prominent local citizens, are clearing up some of their farm land holdings in the Mud Creek neighborhood east of the city. Probably 80 or 100 acres will be ready for crops in the spring and alfalfa and Irish potatoes will be among the products raised. A dam is to be built on Mud Creek to impound its waters and a gravity irrigation ditch system will be installed this winter. Fruit trees will be set out on this property in the course of a few weeks and a specialty of pecans will be made. The country is overrun with wild pecans of rather a good variety and these trees will be worked and budded with fancy paper shell varieties. "A great deal of activity is noticed in the Mud Creek section."

W. C. Crier, who has purchased 20 acres two and a half miles east of Del Rio, on the Brackettville road, has brought in a very strong well, about 200 feet deep. A propeller pump, like the one in use on the Bernard Brown farm, will be put in immediately and a 35 horse power gasoline engine to run the plant has already arrived. Crier will plant this winter a variety of grapes, most of them of the California varieties, that have been thoroughly tested in this section and found successful. Fruit trees of various kinds will also be planted on the Crier farm.

REPORTS SUBMITTED ON COUNTY SCHOOLS

County Commissioners Approve Bonds of a Commissioner and Constable.

Reports occupied the attention of the county commissioners Monday morning, several being received. Most important of these is the report of the county school finances which shows that up to Aug. 31 the condition of the various funds was: Local maintenance fund, received \$6759.37, disbursed \$5057.13; state and county available fund, received \$26,853.33, disbursed \$15, 617.58; building fund, received from sale of bonds, \$21,190.41, disbursed \$14,220.21; sinking fund, received \$1389.85, disbursed \$400.

County permanent fund report shows that this county has been granted 18,506 acres. Prior to Aug. 31, 1909, 17,598 acres had been sold and 102 more were sold during the year ending Aug. 31, 1910. The total receipts to that time from this fund were \$97,708.61. The total amount of the perpetual school fund on Aug. 31, 1910, was \$105,768.61 and 806 acres were still unsold.

Hospital Department.

The report of superintendent I. G. Gaal for the month of November showed 58 patients entered in the hospital department, of whom Pete Murray, Cruz Leva, W. H. Cooper, Clara Tracy and Josefa Lopez died, while 24 patients left the hospital and 29 remained Dec. 1. In the poor farm department there was one death, G. Lemery; two left and 20 remain, there having been a total of 23 patients entered during the month. The expenses were \$685.26, showing an average cost of 36 1/4 cents per day for each patient.

W. W. Davis was appointed meat inspector and reported 36 cows and steers and six hogs inspected, while fees collected amounted to \$6.25. George Harper reported \$23,006 collected for taxes.

Gas in the stomach comes from food which has fermented. Get rid of this badly digested food as quickly as possible if you would avoid a bilious attack: HERBINE is the remedy you need. It cleanses and strengthens the stomach, liver and bowels, and restores energy and cheerfulness. Price 50c. Sold by Scott White & Co., 204 Mills street, and Depot Pharmacy.

Christmas Sale of Ready-to-Wear

Our Christmas Sale of Ready-to-Wear is really the big thing here this week. Both suits and dresses show the widest possible range of choice. Our entire stock of suits and dresses is on sale at a saving to you of from 25 to 50 per cent. The following table shows the reductions.
